## OCTOBER - MISSION MONTH

Today is Mission Sunday. Pope Francis is an enthusiastic 'promoter' of the missionary spirit and is seeking to lead all of us in a joyful expression of our individual and unique missionary charism. In his message for Mission Sunday the Pope says "As they travel through the streets of the world, the disciples of Jesus need to have a love without limits, the same measure of love that our Lord has for all people. We proclaim the most beautiful and greatest gifts that he has given us: his life and his love".

The Irish missionary disciples need our spiritual and financial help today. We have some 1,200 men and women working in all corners of the world, each playing his or her part on the missionary journey. **Your financial help, large or small, today is crucial to their work. We can't do it without you.**
