15th Sunday of the Year

Being a follower of Jesus means to be sent out. Our spiritual life ought to be visible on the outside through our actions and dealings with others. Jesus sends the disciples out to work for a better world, to bring more love, compassion and peace to those they encounter. As we prepare to welcome Pope Francis to Ireland, let us go out and bring joy and hope to those we encounter. "You might be the only Gospel which people read."
